

NEWS BULLETIN

NOVEMBER 2021

Dear Otfordians

It seems like a long time since our Mexican Fiesta in April, and we all know exactly where we've been!

As things are slowly opening up we definitely want to make sure our hall gets a bit of a dusting off and hopefully we, as a community, can do a bit of low key celebrating.

In an effort to keep our community safe, the Board has decided to continue to ask guests to register with the QR code, limit numbers to 12 people inside the building, maintain social distancing and not to enter the premises if they have any symptoms. Masks and vaccination certificates are not required from 15 December 2021 until further notice.

If you have an idea for using the hall on a regular basis or want to book the hall for a small function please check the details on the website and contact us by booking phone/email.
